

2017 Ruza Rosé

California, USA

Body: Light
Alcohol: 12.5%

Ruza unites craft winemaking with the format of the moment: the can. California grapes destined specifically for rosé were picked early in the season, and taken direct to press where they were pressed gently for the perfect pale-pink hue. The result is a light, refreshing wine with a spritzy palate and dry finish. Abundant raspberry, strawberry and lime zest meets peppery brightness for a cool, contemporary rosé. Lightweight and recyclable, Ruza cans are bound for adventure.
