Origin and History:

AMIEL is one of the biggest cooperative wineries of the Languedoc region. It is located in Trèbes, near Narbonne, and specializes in Vin de Table and Vin de Pays production. They select the grapes with the utmost care from hundreds of producers. Their objective is to produce the best value for the best prices available on the market.

Technical Data:

Agriculture Soil - (Composition/Surface):

Grapes come from the best plots selected by our oenologists.
Soils are made of clay with subsoil of limestone

Vinification process:

Pressing of the grapes with temperature control. Short skin maceration. Maturing in vats on the lees.

Wine Tasting:

Comments:

With its pale yellow color and brilliant highlights and aromas of white flowers, almonds and exotic fruits, the mouth is fresh, round, concentrated and persistent.

Wine and Food:

To be served as an aperitif, with fish or white meats (pork or chicken)

Max. period of conservation:

3 years

Optimal serving temperature:

50°F
