WINERY

Bodegas CARE was founded in 2000 as a familiar and modern project focused on grape and wine quality. With 150 hectares and 4,000m and two state-of-the-art facilities for wine making, the winery aims to lead an area with a great heritage. CARE is the brand and intends to be the New Face of Garnacha in Aragon.

LOCATION AND CLIMATE

D.O.P. Cariñena, Northeast of Spain. Mediterranean climate, scarce rainfall below 250 liters, cold and dry wind called Cierzo.

WINEMAKER'S IMPRESSIONS

The wine displays an attractive red colour with layers. Bright colour. Clean powerful aromas of ripe red and black fruits with cacao and coffee bean notes. On the palate one finds spices, toasty hints and mature notes, with a perfectly integrated tannic structure. On the finish the wine is rich, elegant, powerful and fruit driven.

Sensations remain hidden somewhere in our memory. To revive them, you just have to uncork them. WHEEL OF FLAVORS prepared by the CARE wine lab team.
