Characteristics:

The Champagne Lété-Vautrain Rosé Royal is sparkling and salmoncoloured. At first floral, the bouquet centres in on elegant notes of rose. It then becomes more complex with aromas of fresh grapes and small red fruits. In the mouth, this champagne is very fruity, with hints of strawberry and raspberry. The finish is smooth with round tannins.

Food pairings:

Best serve as an aperitif, chilled down to 6 to 8°C, or with a fruit salad or fresh seasonal fruits.
