

IMAGINARIUM

Grape Varieties

The selection of base wines is made among the different grape varieties and depending on the vintage characteristics in order to obtain the desired style.

The grape varieties that can be used in variable proportions are: Ugni Blanc, Colombard, Chenin, and Chardonnay.

Winemaking

Imaginarium was produced according to the Traditional Method. It was aged 12 months in bottles, and in the coolness of our premises.

Tasting notes

This pale and brilliant gold wine shows white fruit aromas with numerous fine bubbles. The palate is elegant, long-lasting and well-balanced between freshness and fruit.
