

NUOVIMONDI

GAVI DOCG del COMUNE DI GAVI

Grapes: Cortese 100%

Growing location: produced from Cortese vineyards located within the vine-growing area of sud-Piedmont

Exposure: various

Harvest period: at the beginning of September

Soil: sandy, with low percentage of silt and clay

Vinemaking process: light pressing fermentation in stainless steel vats at controlled temperature; protection from oxygen

Tasting notes: the wine has an intense aroma of acacia blossom, lily of the valley and green apple. The flavour is dry and harmonious

Serving suggestion: a wine to pair with antipasti or light dishes

Serving temperature: 10-12° C
