EDMOND CHALMEAU & FILS SACY 2022

DESCRIPTION :

Grape variety: Sacy

Terroir: The vines are planted on limestone soils.

The grapes are harvested at the right maturity so that the vinification only reveals these grapes.

Vinification and maturing: This wine was aged for a few months in vats to preserve the purity and aromas of the Sacy.

Tasting: A dry and light white wine made from an old grape variety in the process of disappearing. Its vivacity and its notes of citrus fruits are very pleasant.

Pairings: The ideal companion to an oyster platter or a good goat cheese.

EDMOND CHALMEAU & FILS :

The Domaine Edmond Chalmeau & Fils is a family estate established in Chitry for over two centuries. Known at the base for its Chitry wines, the domain diversified its range from 2004.

Today, the estate covers 18 hectares of vines with the motto "quality and pleasure".
